IEEE

The 26ᵗʰ IEEE
Hiroshima Section Student Symposium
～ The Next Generation of Engineering We Create ～

November 16ᵗʰ – 17ᵗʰ 2024
in Hiroshima

Sponsored by IEEE Hiroshima branch

Introduction to HISS

This time, IEEE Hiroshima section will hold the 26th IEEE Hiroshima Section Student Symposium (HISS). HISS is an event, "for society by student" mainly planned and managed by the students.

About the IEEE

IEEE (Institute of Electrical and Electronics Engineers) is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity. IEEE and its members inspire a global community through its highly cited publications, conferences, technology standards, and professional and educational activities. There are more than 100,000 student members in over 160 countries. These student members contribute to the growth and vitality of IEEE.

Symposium Date and Venue

Date: November 16ᵗʰ and 17ᵗʰ, 2024
Place: Hiroshima City University
Position: 3-4-1 Otsukahigashi Asaminami-ku Hiroshima-shi, Hiroshima 731-3194

Technical Presentation

In this symposium, we will provide Technical Presentation as a place for student presentations. The Technical Presentation is the announcement method which encourages the exchange of opinions between a general participant and the presenter. Presenters can use various research equipment's during Technical Session. In International (English) Session, the presenter makes a poster in English. During Technical Session, the presenter describes his/her poster in English.

Paper Submission

Those who participate in this symposium, you need to register the information on your paper first. Registration contents include "title of a research", "author", "field" and "summary (about 300 words)". For that summary, please write down clearly and simply. Then, after registering information, you need to submit a paper for review before **September 6th** Whether your paper is accepted for presentation or not is decided based on peer reviews. Finally, the selected authors must submit "the final manuscript (camera-ready)" before **October 25th** in consideration of the comments from the reviewers and do a technical presentation at the venue based on "the final manuscript (camera-ready)" within two days.

Prepublication Paper

Please send a PDF file (up to 5MB) of your paper to the following address.
E-mail: hiss_tp@hiss26th.sakura.ne.jp
In the email, please include your name, address, and affiliation.

Important Dates for Authors

Deadline for Abstract Submission:
September 6ᵗʰ, Monday
Notification of Acceptance:
October 11ᵗʰ, Friday
Deadline for Final Paper Submission:
October 25ᵗʰ, Friday

HISS Awards

The 26th IEEE Hiroshima Section Student Symposium will be developing students so that they can act voluntarily and tell their own ideas and research results clearly to people, and we have established an award system. The IEEE Hiroshima Section and 26th HISS executive committee provide HISS Research Award, HISS Presentation Award, and HISS English Presentation Award for excellent paper presentations.
